Now, lots and lots of toys for babies and toddlers as well as for primary kids have arrived and have been donated to Kathy Hamper's Lebensschule.

There is a playroom full of

- Cars, trucks, police cars, motorbikes

- toys to play in the sand
- little Playmobil animals (little zoo), dolls, playhouse
- a workbench with tools to play craftman
- And so much more

Outside, there is a little lake where kids can let boats floating and watch the two ducks "Molly" and "Ducky". Then, there is still the big outside playground so that lots of kids can enjoy themselves for hours. Lebensschule invites everybody to the **Opening Party on Wednesday, 28th May 2008 at 3 o'clock**. Parents are invited for tea or coffee for free. Come and see the beautiful place!
